**Re: Ordinance Amending Subsection (a) of Section 82-14
Inspection, of Title 27 - Electrical Code, of the Los Angeles
County Code**

Dear Supervisors:

On August 2, 2005, your Board conducted a public hearing on proposed amendments to Title 27 - Electrical Code of the Los Angeles County Code.

After the hearing, your Board continued the proposed amendments to Section 82-14 of Title 27, relating to the deletion of special electrical inspections and inspector designations, to September 6, 2005, for further hearing, and adopted Ordinance No. 2005-0065, implementing the remainder of the proposed amendments.

The enclosed ordinance and analysis contain the proposed amendments to Section 82-14 of Title 27 which your Board previously delayed acting upon.

The ordinance may be adopted upon the completion of the continued public hearing

Very truly yours,

RAYMOND G. FORTNER, JR.
County Counsel

ORDINANCE NO. _____

An ordinance amending Section 82-14 of Title 27 - Electrical Code of the Los Angeles County Code to remove the provisions relating to special inspections for electrical work.

The Board of Supervisors of the County of Los Angeles ordains as follows:

SECTION 1. Section 82-14 is hereby amended to read as follows:

Sec. 82-14. Inspection

(a) **Scope.** All new electrical work, and such portions of existing systems as may be affected by new work, or any changes, shall be inspected by the Chief Electrical Inspector to insure compliance with all the requirements of this Code.

~~Special inspections may be required on work involving special hazards or conditions and on work requiring extensive, unusual or constant inspection. Special inspections, when necessary, shall be accomplished by the means set forth in Title 26, entitled "Building Code," except that the Special Inspector shall be a qualified person approved, registered by, and reporting to, the Chief Electrical Inspector.~~
